

South East District invites your community To Become a Winter Town

———— the benefits are endless ————

The benefits are endless – decreased social isolation, enhanced public community spaces, improved well-being, and increased access to outdoor activities!

There's so much living to do outside during winter! We have a plethora of resources, tools, and information to help your community embrace winter instead of hiding from it! Make your community a vibrant and welcoming place for residents in the cold, snowy months! Join the Winter Town movement now!

- 👉 Visit our website at www.southeastdistrict.ca to access our *Become a Winter Town!* Resources
 - 👉 Request a *Become a Winter Town!* Think Tank to kick-start planning and brainstorming
